

Parish Hall Corner #2

We have begun the long Prince George's County building permit process for the Parish Hall. Last month's Parish Hall Corner asked "all parish families to recommit (or commit) to the Capital Campaign". Updates on the parish's Capitol Campaign will be coming in April.

To prepare for construction, the parish must begin to clean up and clean out **all areas** of the parish. No need to haul things, simply place items "to go" in the BIG CLEAN crate in the prayer corner and they will disappear. As part of the BIG CLEAN, the parish has classroom chairs and desks, currently stored in the attic spaces above the classrooms. Beginning in April the parish will be offering these desks and chairs for sale to help offset construction costs.

*As always, **thank you** for your continued prayerful and financial support of Saint Nicholas Parish – your spiritual home!*
